

Towards healthier schools' Project

If you want to introduce a program into a school, or to get information about the harms of alcohol and drugs, the following resources will help you. Just click on the links for each program to find out more ...

<http://sideeffect.org.au/> **HOT NEWS!!** Teachers will be able to download lesson plans, slides and videos about teaching Sideeffect Aware sessions at no charge. Registrations opening soon.

In the meantime, you can find some free resources via drugaware.com.au

Helen Cahill is also taking an evidence-based approach to classroom drug education. Her paper can be downloaded here.

We want to hear from you...

1. Send us any resources that you know of that have worked well in schools
2. Email us for more information on the programs we support at: admin@drugfree.org.au
3. Send us details of schools that you think would like to know more about these resources
